

Junior Visual Designer

Munich

Your work will explore a wide range of design fields and you will be applying your knowledge and skills to a rich portfolio of projects, addressing diverse clients, composed of both renowned companies such as Samsung, Kia, Bosch, as well as some of the most promising start-ups. We will welcome you in our international, multicultural and multidisciplinary team, constantly shaping both yours and our future towards the greatest it can be.

You will be

A Junior Visual Designer in our Munich office directly involved in:

- Creating graphic design, usability and interaction concepts as part of a project team or independently
- Creating wireframes, use cases and prototypes of user interface simulations
- Developing and defining style guides and manuals
- Brainstorms and concept generation phases with multi-disciplinary design teams
- Client presentations

You are

A talented Junior Visual designer with proven track record in the field of user experience development and visual interaction design, with minimum two years' work experience in the field; a graduate of Interaction Design or a correlated discipline and a fluent English speaker.

You have

- Excellent user interface development and design skills
- Excellent visual, graphic and typographical skills
- Experience in creating software and hardware prototypes
- Experience in html/css development
- Proficiency in UI design and prototyping tools (i.e. Photoshop, Illustrator, Axure, etc.)
- Basic understanding of technical platforms and terms
- Able to facilitate the transition from graphic design to software coding
- Abreast of user interface design best practices, trends and techniques
- Good drawing skills are a plus

We are excited to receive your application!

Please fill in the application form available on our website and send it together with your letter of motivation and digital portfolio (PDF or URL) to jobs.de@pilotfish.eu.

Please note that due to the high number of applications coming our way, we are unfortunately unable to always provide a written reply. However, you can always call us at (+49) 89 12021890 and we will provide an update on your application
